

## Family Sponsorship Instructions

Thank you for sponsoring a family this holiday season! Carefully selected by our affiliates and local schools, Hope for San Diego's effort is directed to those who are in crisis or most in need this Christmas. Whether it's been a medical emergency, a housing crisis, or a lost job during this turbulent year. Without your gifts, they would not have a special meal or gifts for each member of the family at Christmas. Thank you for demonstrating the love of Christ in action to the most vulnerable around us.

### What to purchase

1. Gift items (Total to be about \$250) - Please Purchase:
  - One or two clothing items OR shoes for **each adult**
  - One or two clothing items OR shoes for **each child**
  - An additional special gift for **each child**

Attached is a form with information about your sponsored family collected from a social worker. You will see Names, Ages, Clothing sizes, Shoe Sizes, and special gift requests. Other than the information provided, we don't have more details.

These families need essentials, so please focus on practical items they can use all year long. Socks, underwear, and hygiene items are welcome, even though they seem mundane.

2. Grocery gift card
  - Please include a \$50 grocery gift card for the family. If this is cost-prohibitive, let us know, and we'll add one on your behalf.

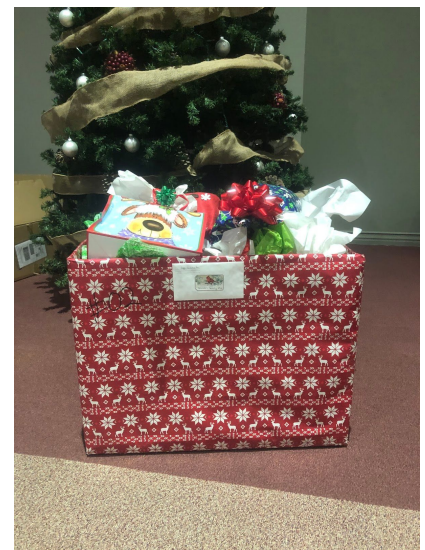

### Delivery Instructions

1. Wrap each gift and label with the **recipient's name** and **family number**. For easy transport, we ask that you please bundle all family gifts in a large box or bag as best as possible.
2. Drop off for delivery (12/6, or 12/13) - Locations will be given to you on November 30th.

### Want to Help Deliver Gifts to Our Affiliates?

We are still looking for volunteers the week to help deliver all of these generous gifts to our families. We plan to deliver between 12/14 and 12/17. Contact us if you want to help! Thank you for considering.
